2. Rajasthan High Court Bars Electoral Roll Revision After Election Process Begins in Mendi Panchayat Case

- Responsible body: Rajasthan State Election Commission
- Panchayat and district: Mendi Gram Panchayat, Bundi
- Voters and ward: Four voters, Ward 4
- Election programme: 3 October 2026
- Removal order: 18 October 2026

The Rajasthan High Court's division bench dismissed the State Election Commission's appeal on 12 November 2026, affirming that electoral rolls cannot be revised after the election process begins. The ruling clarifies the legal position for local body elections across the state.

3. Delimitation Proposals: Up to 850 Lok Sabha Seats and 2011 Census as Proposed Basis

- Proposed census base: 2011 Census
- Existing Lok Sabha seats: 543
- Proposed Lok Sabha maximum: 850 seats
- Women's reservation: One-third of seats in the Lok Sabha and legislative assemblies
- April voting figures: 298 in favour; 230 against

The 2026 delimitation proposals envisaged increasing Lok Sabha seats from 543 to a maximum of 850, using the 2011 Census to redraw constituencies. The constitutional amendment proposal failed in the Lok Sabha on 17 April; a special parliamentary session remains a possibility, not an announced decision.

5. Farmers' Rights Act: 25 Years of Plant Variety Protection and Agricultural Biodiversity Conservation

- Full form of PPVFRA: Protection of Plant Varieties and Farmers' Rights Authority
- Parent ministry: Ministry of Agriculture and Farmers Welfare
- Key law: Protection of Plant Varieties and Farmers' Rights Act, 2001
- Agro-biodiversity hotspots: 22
- Climate-resilient crop varieties: Around 3,000 developed under the National Agricultural Research System

Dr. P.K. Mishra's address at the 22nd Foundation Day of PPVFRA and the Plant Genome Saviour Award Ceremony, coinciding with 25 years of the Protection of Plant Varieties and Farmers' Rights Act, 2001, has renewed focus on linking farmers' traditional knowledge with research, markets and fair benefit-sharing.

24. Jharkhand High Court Strikes Down Section 22-A on Public Policy-Based Registration Refusals

- Law and provision: Section 22-A, Registration Act, 1908
- Amendment: Bihar Amendment Act, 1991
- Notification quashed: 26 August 2015
- Petitioner's registration refusal order: 17 February 2016
- Petitioner: Kaushalendra Kumar Singh

The Jharkhand High Court declared Section 22-A of the Registration Act, 1908 unconstitutional on November 12, 2026, removing the state government's power to block land registration on vague public policy grounds, a decision that affects registration refusals under Section 22-A in the state.

33. Jal Sanchay Jan Bhagidari 2.0: Citizen Feedback Deadline Extended to 30 November 2026

- Nodal ministry: Ministry of Jal Shakti
- Citizen feedback deadline: 30 November 2026
- Portal opening: 26 January 2026
- Structures reported: More than 1.5 crore as of 31 May 2026

- National movement envisaged: 6 September 2024, Surat, Gujarat

The Ministry of Jal Shakti extended the citizen feedback deadline for JSJB 2.0 to 30 November 2026, giving the public more time to assess over 1.5 crore water conservation structures reported nationwide. The move matters because public scrutiny can improve the credibility of reporting and accountability of implementing agencies.

Practice questions

1. Which department launched One Nation One Ration Card in 2019?

(A) Department of Food and Public Distribution

(B) Department of Agriculture and Farmers Welfare

(C) Department of Economic Affairs

(D) Department of Rural Development

2. Consider the following statements about One Nation One Ration Card:

1. It permits eligible beneficiaries to access foodgrains across States without a new ration card.

2. Its portability transactions are restricted to transactions within a single State.

3. The Mera Ration app can help beneficiaries locate nearby Fair Price Shops.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

3. Which body issued the panchayat election programme in the Mendi Gram Panchayat electoral-roll case?

(A) Rajasthan High Court

(B) Rajasthan State Election Commission

(C) District Election Officer, Bundi

(D) Returning Officer

supercurrentaffairs.com

4. Consider the following statements about the Rajasthan High Court decision concerning Mendi Gram Panchayat in 2026:

1. The court treated announcement of the election programme as the beginning of the election process.

2. The district election officer gave the four voters an adequate opportunity to be heard before ordering deletion.

3. A single judge had cancelled the deletion order on 4 November.

Which of the statements given above are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

5. Which parliamentary chamber voted on the constitutional amendment proposal linked to delimitation on 17 April 2026?

(A) Tamil Nadu Legislative Assembly
(B) Rajya Sabha
(C) Lok Sabha
(D) West Bengal Legislative Assembly

6. Consider the following statements about the 2026 delimitation proposals:

1. The proposals envisaged using the 2011 Census as the basis for redrawing constituencies.

2. The proposed maximum number of Lok Sabha seats was 543.

3. The exercise was linked to implementing women's reservation before the 2029 Lok Sabha election.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

supercurrentaffairs.com

7. Which ministry implements the National Programme on Advanced Chemistry Cell Battery Storage?

(A) Ministry of New and Renewable Energy

(B) Ministry of Finance

(C) Ministry of Power

(D) Ministry of Heavy Industries

8. Consider the following statements about the ACC Battery Storage programme:

1. The programme targets 50 GWh of domestic ACC manufacturing capacity.

2. The 10 GWh offered for grid-scale stationary storage is additional to the 50 GWh target.

3. The tender uses a two-stage Quality and Cost Based Selection mechanism.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

9. Which ministry oversees the Protection of Plant Varieties and Farmers' Rights Authority?

(A) Ministry of Education

(B) Ministry of Agriculture and Farmers Welfare

(C) Ministry of Home Affairs

(D) Ministry of Finance

10. Consider the following statements about farmers' rights and agricultural biodiversity:

1. The Protection of Plant Varieties and Farmers' Rights Act, 2001 recognises farmers as conservers and developers of plant varieties.

2. India's National Genebank is described as the world's largest.

3. Koraput was recognised as a Globally Important Agricultural Heritage System in 2012.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

supercurrentaffairs.com

11. Which Uttarakhand banking coordination forum reviewed rural banking and credit access at its 98th meeting in November 2026?

(A) State Level Bankers' Committee

(B) State Cyber Crime Coordination Centre

(C) District Level Bankers' Committee

(D) Common Service Centre

12. Consider the following statements about Uttarakhand's banking directions in November 2026:

1. Major banks were directed to deploy representatives at 1930 cyber helpline centres and S4C.

2. All education loan applications from the previous five years were automatically approved.

3. Self-help groups under the National Rural Livelihoods Mission may work as bank correspondents based on their capacity and training.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

13. Which existing reservoir is planned as the lower reservoir of the Gandhisagar pumped hydro storage project?

(A) Gandhisagar reservoir

(B) Chaturbhujnath Nala

(C) The new upper reservoir

(D) The Chambal River

supercurrentaffairs.com

14. Consider the following statements about the Gandhisagar pumped hydro storage project:

1. The existing Gandhisagar reservoir is used as the lower reservoir.

2. The project is planned to use surplus electricity to pump water from the upper reservoir to the lower reservoir.

3. The project is expected to have approximately 80% round-trip efficiency.

Which of the statements given above are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

15. Which place is the source of the Sursagar sandstone planned for the Jaipur Airport state terminal?

(A) Jaipur
(B) Jodhpur
(C) Udaipur
(D) Kota

16. Consider the following statements about the proposed Jaipur Airport state terminal:

1. The state government has allocated 12,778 square metres of land for the project.

2. The ₹55 crore figure is the cost of the first-phase building alone.

3. A hangar and tarmac for helicopter parking are planned in the second phase.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

17. Under Rajasthan's 2026 land conversion rules, which authority receives the landowner's online application?

(A) Relevant Sub-Divisional Officer
(B) Project developer
(C) District Level Committee
(D) Government of Rajasthan

supercurrentaffairs.com

18. Consider the following statements about Rajasthan's 2026 land conversion rules:

1. Agricultural land conversion is mandatory for covered solar and wind projects.

2. Exemption from the conversion fee also exempts renewable energy projects from conversion approval.

3. Battery storage projects are included within the scope of the rules.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

19. Which Bihar government department organised the 2026 ration-card and PDS licence distribution programme?

(A) Rural Development Department
(B) Food and Consumer Protection Department
(C) Education Department
(D) Agriculture Department

20. Consider the following statements about Bihar's 2026 food security expansion:

1. Approximately 2.375 million new beneficiaries were brought under ration-card coverage.

2. Licences were issued to 1,448 beneficiaries as new ration-card holders.

3. Aadhaar-based electronic Know Your Customer verification is being used to help identify fake ration cards.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

supercurrentaffairs.com

21. The Technology Development Board supporting Astrome's AI-ELINT project is associated with which department?

(A) Research, Development and Innovation Fund
(B) Astrome Technologies
(C) Technology Development Board
(D) Department of Science and Technology

22. Consider the following statements about Astrome's proposed AI-ELINT constellation:

1. The project envisages microsatellites operating in low Earth orbit.

2. The ₹64.05 crore figure represents the total project cost.

3. Inter-satellite links are intended to enable satellites to exchange information.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

23. Which ministry is revising the National Policy for Skill Development and Entrepreneurship?

(A) Ministry of Education
(B) Ministry of Labour and Employment
(C) Ministry of Skill Development and Entrepreneurship
(D) Ministry of Finance

24. Consider the following statements about India's green workforce:

1. The iFOREST assessment estimates that green sectors could support over 1.3 crore jobs by 2035.

2. The assessment finds that 90% of thermal power roles have high or medium transferability to renewables and green hydrogen.

3. About 90% of assessed automobile roles can move into electric vehicles with targeted training.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

supercurrentaffairs.com

25. Which institution issued the 2018 decision prescribing free treatment requirements for specified hospitals on leased land in Delhi?

(A) Delhi Development Authority

(B) Municipal Corporation of Delhi

(C) Supreme Court of India

(D) Land and Development Office

26. Consider the following statements about free EWS treatment at identified hospitals in Delhi:

1. The 2018 Supreme Court decision specifies free treatment for 10% of in-patients.

2. The decision specifies free treatment for 10% of out-patients.

3. Delhi identified 56 additional hospitals besides the 51 already under scrutiny.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

27. Which institution's Monetary Policy Committee raised the policy repo rate to 5.5% in October 2026?

(A) Reserve Bank of India

(B) Axis Bank

(C) Ministry of Statistics and Programme Implementation

(D) Ministry of Finance

28. Consider the following statements about India's October 2026 inflation:

1. Headline CPI inflation exceeded the 6% upper tolerance limit.

2. Food inflation declined from its September level.

3. Puducherry had the highest headline inflation among states and union territories.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

supercurrentaffairs.com

29. Which Bihar body approved the 2026 revision of Dearness Allowance and Dearness Relief?

(A) Bihar Cabinet

(B) Global Finance and Technology Network

(C) Urban local bodies

(D) National University of Singapore

30. Consider the following statements about the Bihar Cabinet decisions of 2026:

1. The revised seventh pay commission DA and DR rates are effective from 1 July 2026.

2. The Bihar Ki Beti Startup Challenge targets at least 7,000 students over five years.

3. Modified Assured Career Progression was approved for regular employees of urban local bodies.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

31. Which ministry is associated with Swachh Survekshan 2025-26 and Swachh Bharat Mission-Urban?

(A) Ghaziabad Municipal Corporation

(B) Ministry of Power

(C) Uttar Pradesh Department of Urban Development

(D) Ministry of Housing and Urban Affairs

32. Consider the following statements about Swachh Survekshan 2025-26:

1. Ghaziabad ranked first in Uttar Pradesh in the clean-city category.

2. Ghaziabad's first-place ranking was a national ranking.

3. The assessment considered segregation of dry and wet waste.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

supercurrentaffairs.com

33. Which court decided Shafin Jahan v. Asokan K.M. in 2018?

(A) Bombay High Court

(B) Vacation bench of the Bombay High Court

(C) Supreme Court of India

(D) Dharavi Police Station

34. Consider the following statements about the Bombay High Court's consideration of the woman's petition in 2026:

1. The bench affirmed an adult woman's freedom to choose her spouse.

2. The bench held that a difference in religion reduces that freedom.

3. The bench declined to comment on the allegations about police conduct.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

35. Which Indian ministry implemented the 2026 visa category rationalisation?

(A) Ministry of Home Affairs

(B) Ministry of Finance

(C) Ministry of Education

(D) Ministry of Defence

36. Consider the following statements about India's 2026 visa rules:

1. M-1 covers general medical treatment.

2. M-3 covers general medical treatment rather than AYUSH treatment.

3. M-1 and M-3 provide a one-year multiple-entry visa by default.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

supercurrentaffairs.com

37. The 2026 Jharkhand continuous professional development requirement applies to teachers in which institutions?

(A) Private schools

(B) Universities

(C) Private colleges

(D) Government schools

38. Consider the following statements about Jharkhand teacher training in 2026:

1. Government-school teachers of Classes 1–12 must complete online professional development training.

2. The training itself lasts 90 hours and must be completed within 50 days.

3. Dhanbad had 53% of teachers who had not taken the training.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

39. Which law was cited alongside the Air (Prevention and Control of Pollution) Act, 1981, in cases against some farmers in Haryana?

(A) Bharatiya Nyaya Sanhita, 2023

(B) Air (Prevention and Control of Pollution) Act, 1981

(C) Bharatiya Nyaya Sanhita, 1981

(D) Air (Prevention and Control of Pollution) Act, 2023

40. Consider the following statements about Haryana's crop-residue management measures in 2026:

1. The government reported distributing 13,200 agricultural machines.

2. The machinery purchase subsidy was a fixed 50% in every case.

3. Revenue-record red entries were made in 19 cases.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

supercurrentaffairs.com

41. Which body regulates India's insolvency framework and compiled data on personal guarantor bankruptcy applications?

(A) National Company Law Tribunal

(B) Insolvency and Bankruptcy Board of India

(C) State Bank of India

(D) National Company Law Appellate Tribunal

42. Consider the following statements about insolvency proceedings under the Insolvency and Bankruptcy Code:

1. Corporate and personal insolvency proceedings can be initiated simultaneously.

2. A creditor can recover more than its total outstanding claim by pursuing both proceedings.

3. The provisions relating to personal guarantors were implemented in December 2019.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

43. Which court's Division Bench clarified the role of settlement in quashing POCSO proceedings in November 2026?

(A) Kerala High Court

(B) Madras High Court

(C) Delhi High Court

(D) Supreme Court of India

supercurrentaffairs.com

44. Consider the following statements about the Kerala High Court's November 2026 POCSO ruling:

1. A settlement alone cannot ordinarily justify quashing POCSO proceedings.

2. A survivor attaining majority retrospectively changes the legal character of an offence allegedly committed during childhood.

3. The accused's position of trust or authority is relevant to judicial assessment.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

45. Which urban local body received Patna's State First Swachh City award in Swachh Survekshan 2025-26?

(A) Patna Municipal Corporation
(B) Ahmedabad Municipal Corporation
(C) Indore Municipal Corporation
(D) New Delhi Municipal Council

46. Consider the following statements about Swachh Survekshan 2025-26:

1. Patna received the State First Swachh City award for Bihar.

2. Patna ranked first nationally among the cleanest cities.

3. Puri ranked first in the clean coastal city category.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

supercurrentaffairs.com

47. Which court struck down Section 22-A of the Registration Act, 1908, in the Jharkhand land registration case?

(A) Supreme Court of India
(B) Jharkhand High Court
(C) Delhi High Court
(D) Patna High Court

48. Consider the following statements about the Jharkhand High Court's ruling on Section 22-A:

1. Section 22-A was added through the Bihar Amendment Act, 1991.

2. The ruling removes all statutory restrictions on land transfers in Jharkhand.

3. The court quashed the notification dated 26 August 2015 issued under Section 22-A.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

49. Which body initially rejected the parents' compensation claim for the unborn child in the 1997 road accident case?

(A) Motor Accident Claims Tribunal
(B) Kerala High Court full bench
(C) Post Graduate Institute of Medical Education and Research
(D) Punjab and Haryana High Court

50. Consider the following statements about the Punjab and Haryana High Court's compensation ruling:

1. The foetus was 28 weeks old at the time of the accident.

2. The court deducted 40% for personal expenses and added 50% for future prospects.

3. The court applied a multiplier of nine for loss of dependency.

Which of the statements given above are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

supercurrentaffairs.com

51. Which organisation prepared the 2026 Adaptation Gap Report estimating developing countries' adaptation needs?

(A) United Nations climate finance committee
(B) Oxfam
(C) United Nations Environment Programme
(D) Organisation for Economic Co-operation and Development

52. Consider the following statements about climate finance goals:

1. The 2024 Azerbaijan agreement set a goal of at least $300 billion annually by 2035, with developed countries taking the lead.

2. The $1.3 trillion annual ambition is limited to direct grants from developed-country governments.

3. The earlier $100 billion annual goal was first reached in 2022.

Which of the statements given above are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

53. Which body identified forest encroachment hotspots in Madhya Pradesh in 2026?

(A) Madhya Pradesh district authorities
(B) Madhya Pradesh state government
(C) Madhya Pradesh Forest Development Corporation
(D) Madhya Pradesh Forest Department

54. Consider the following statements about forest encroachment in Madhya Pradesh in 2026:

1. More than 500 encroachment hotspots were identified.

2. The government imposed a permanent ban on new forest rights lease applications.

3. Earlier pre-monsoon satellite images are compared with current images.

Which of the statements given above are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

55. Which body will undertake construction of the planned Charkhi Dadri smart road?

(A) Urban local bodies

(B) Smart market traders

(C) Railway station authorities

(D) Control room operators

56. Consider the following statements about the planned Charkhi Dadri smart road:

1. Underground utility ducts are planned on both sides of the road.

2. The planned road is 32.26 km long and costs ₹5 crore.

3. Space is to be reserved in the ducts for a future liquefied petroleum gas pipeline.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

57. Which court reversed the Patna High Court's order in Phoolpari Kumari's disproportionate-assets case?

(A) Bihar Vigilance

(B) Income Tax Department

(C) Supreme Court of India

(D) Patna High Court

58. Consider the following statements about gold seizure protection and Phoolpari Kumari's case:

1. The stated seizure-protection quantity for a married woman is 500 grams.

2. The stated quantity is an absolute legal ceiling on gold ownership.

3. The Supreme Court restored proceedings in the disproportionate-assets case.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

supercurrentaffairs.com

59. Which body is responsible for the Special Summary Revision of electoral rolls scheduled in November 2026?

(A) Election Commission of India
(B) Supreme Court of India
(C) Government of Delhi
(D) Government of Uttar Pradesh

60. Consider the following statements about the 2026 electoral roll revision:

1. Special Summary Revision updates an existing electoral roll.

2. Special Summary Revision, rather than Special Intensive Revision, is characterised by house-to-house verification.

3. The Election Commission directed that voter addresses be recorded in a uniform format.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

61. Which organisation operates the Sentinel-2 satellites used in the burnt-area mapping exercise?

(A) European Space Agency
(B) Indian Space Research Organisation
(C) Commission for Air Quality Management
(D) Indian Agricultural Research Institute

62. Consider the following statements about farm-fire monitoring:

1. A standardised protocol for counting active farm fires has existed since 2021.

2. The methodology for mapping burnt farmland has already been officially finalised.

3. Burnt-area mapping can identify land affected by fires after the events occur.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

supercurrentaffairs.com

63. Which force was directed to maintain a round-the-clock team at Manjhi for flood and drowning emergencies in 2026?

(A) Late Dalan Singh High School

(B) Saran district administration

(C) State Disaster Response Force

(D) Bihar government

64. Consider the following statements about the proposed Manjhi–Tajpur Marine Drive in Bihar:

1. The proposed stretch is in Saran district.

2. The 10–12 km stretch has already been completed.

3. A connection with the Raghopur–Aami Temple road received a positive assurance.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

65. Which ministry administers the Jal Sanchay Jan Bhagidari 2.0 citizen feedback initiative?

(A) Ministry of Rural Development

(B) Ministry of Jal Shakti

(C) Ministry of Environment, Forest and Climate Change

(D) Ministry of Housing and Urban Affairs

66. Consider the following statements about Jal Sanchay Jan Bhagidari 2.0:

1. Citizens can provide feedback on reported water conservation structures.

2. More than 1.5 crore structures had been verified as completed by 31 May 2026.

3. Stakeholder recognition is based on the number of artificial recharge and storage works completed.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

supercurrentaffairs.com

67. Which ministry is associated with Kendriya Vidyalaya Sangathan's three digital initiatives launched in November 2026?

(A) Department of School Education and Literacy

(B) Ministry of Education

(C) Kendriya Vidyalaya Sangathan Headquarters

(D) Information Technology Services Cell of KVS Headquarters

68. Consider the following statements about the KVS digital initiatives launched in November 2026:

1. Vidya Samiksha Kendra provides dashboards covering school admissions and infrastructure.

2. KVS-Samvaad is designed primarily to connect former students with their batchmates.

3. Parents can apply for student leave through KVS-Samvaad.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

69. Which organisation awards the Infosys Prize 2026?

(A) Infosys Science Foundation

(B) Tata Institute of Fundamental Research

(C) Princeton University

(D) Gladstone Institutes

70. Consider the following statements about the Infosys Prize 2026:

1. Isha Jain won in Life Sciences for discoveries in oxygen biology.

2. Riddhipratim Basu won in Physical Sciences for work on trapped ions.

3. Swarun Kumar won in Engineering and Computer Science for work on low-power wireless networks.

Which of the statements given above are correct?

71. Which industrial development authority's area contains the planned CNH Industrial factory in Uttar Pradesh?

(A) HCL-Foxconn

(B) Yamuna Expressway Industrial Development Authority

(C) Noida International Airport

(D) CNH Industrial

72. Consider the following statements about the planned CNH Industrial factory in Uttar Pradesh:

1. The factory is intended to manufacture tractors and bulldozers.

2. The factory is already operational on 100 acres.

3. Its planned cost exceeds ₹1,200 crore.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

73. Which maritime passage carried the 2.1 million barrels per day of crude supplied to India in November 2026 so far?

(A) Gulf of Oman

(B) Persian Gulf countries

(C) Strait of Hormuz

(D) Persian Gulf

74. Consider the following statements about India's crude oil supplies in 2026:

1. Supplies through the Strait of Hormuz averaged 2.1 million barrels per day in November so far.

2. India's Russian crude imports averaged more than its Hormuz-route supplies in November so far.

3. India's Hormuz-route supplies averaged 247,000 barrels per day in April.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

75. Which temple in Ukhimath is the winter worship site of Kedarnath?

(A) Yamunotri Temple

(B) Narasimha Temple

(C) Omkareshwar Temple

(D) Gangotri Temple

76. Consider the following statements about Uttarakhand's winter Char Dham pilgrimage:

1. The proposed winter registration is intended to help prepare pilgrim data for safety.

2. Registration for the winter pilgrimage will be compulsory, unlike registration for the main Char Dham pilgrimage.

3. Kharsali is the winter worship site associated with Yamunotri.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

77. The Indian National Science Academy, which endorsed the S20 2026 Joint Statement, is an institution of which department?

(A) Department of Science and Technology

(B) Indian National Science Academy

(C) United States National Academy of Sciences

(D) Royal Society

78. Consider the following statements about the S20 2026 Joint Statement:

1. It identifies five areas for action on disaster preparedness and resilience.

2. It recommends replacing human expertise with automated technology.

3. It encourages safe and equitable access to data and technology.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

79. Which organisation is to build the proposed Siang Upper Multipurpose Project in Arunachal Pradesh?

(A) Government of India

(B) National Hydroelectric Power Corporation

(C) Adi community

(D) Government of Arunachal Pradesh

80. Consider the following statements about the Siang Upper Multipurpose Project:

1. It is a proposed dam in Arunachal Pradesh.

2. The Siang is described as a different river from the Brahmaputra in Arunachal Pradesh.

3. Members of the Adi community have opposed the project.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

81. Which department is responsible for the planned Utraula–Ayodhya–Sultanpur–Prayagraj road work in Uttar Pradesh?

(A) Ghanshyampur Grant gram panchayat

(B) Uttar Pradesh Public Works Department

(C) Gonda district administration

(D) Uttar Pradesh electricity department

82. Consider the following statements about the Uttar Pradesh road and Gaughat bridge proposals:

1. The approved road project covers 38.6 km.

2. The entire ₹191.54 crore approved for the road has already been allocated.

3. The proposed Gaughat bridge is on the Visuhi River.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

83. Which state government enacted the Platform-Based Gig Workers (Registration, Social Security and Welfare) Act, 2026?

(A) Government of Bihar

(B) Government of Rajasthan

(C) Government of Karnataka

(D) Government of Telangana

84. Consider the following statements about Telangana's gig workers framework in 2026:

1. The Act has been effective since 2 June 2026.

2. The welfare board and rules were already launched on 2 June 2026.

3. The welfare board is intended to implement the law and welfare schemes.

Which of the statements given above is/are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

85. Which body directed Punjab district authorities to verify areas affected by paddy stubble burning in November 2026?

(A) Punjab Police

(B) Indian Agricultural Research Institute

(C) National Remote Sensing Centre

(D) Commission for Air Quality Management

supercurrentaffairs.com

86. Consider the following statements about paddy residue monitoring in 2026:

1. The Commission for Air Quality Management directed district authorities to verify burnt areas in Punjab.

2. Punjab recorded a year-on-year decline in farm fires during 15 September–11 November.

3. The National Remote Sensing Centre led the expert committee on standardising burnt-area mapping.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

87. Which body conducts the Madhya Pradesh departmental Naib Tehsildar recruitment examination?

(A) Madhya Pradesh Board of Revenue
(B) Office of the Principal Revenue Commissioner
(C) Madhya Pradesh Employees Selection Board
(D) Office of the Commissioner of Land Records

88. Consider the following statements about Madhya Pradesh recruitment examinations in 2026:

1. The departmental Naib Tehsildar examination was rescheduled to 10 January 2027.

2. The police constable driver recruitment has 7,500 posts.

3. Patwaris and Revenue Inspectors are among the eligible categories for the limited competitive Naib Tehsildar examination.

Which of the statements given above are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

89. Which body discussed a policy framework for transfers of High Court judges in 2026?

(A) High Court senior judges
(B) Supreme Court collegium
(C) High Court chief justices
(D) Union government

supercurrentaffairs.com

90. Consider the following statements about the Supreme Court collegium's discussion on High Court judges' transfers in 2026:

1. The collegium discussed ending selection without substantive grounds.

2. The proposed policy framework has already been implemented.

3. Reconsideration of recommendations pending for a long time with the Union government is under consideration.

Which of the statements given above are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

91. Which Indian institution participated in the study of pollution around the Farakka coal-fired power plant?

(A) Indian Institute of Technology Mandi
(B) Karolinska Institutet
(C) Communications Earth and Environment
(D) Linköping University

92. Consider the following statements about the Farakka pollution study:

1. Overall PM2.5 concentrations were broadly similar upwind and downwind of the plant.

2. The study established that pollution directly caused accelerated biological ageing.

3. Downwind samples contained higher levels of several metals associated with fuel combustion.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

93. Which organisation manages the fare discount arrangements for Bhopal and Indore Metro?

(A) MP Metro mobile app

(B) Madhya Pradesh Metro Rail Corporation Limited

(C) Bhopal Metro

(D) Indore Metro

94. Consider the following statements about Bhopal and Indore Metro fare arrangements in 2026:

1. The National Common Mobility Card issue fee is ₹50 and is non-refundable.

2. The additional 25% promotional discount applies to a single-journey ticket with a prescribed fare of ₹20.

3. Group tickets are available for a minimum of two passengers.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

95. Which body ordered the withdrawal of management powers at Heavy Engineering Corporation in Ranchi?

(A) Indian Space Research Organisation

(B) State Bank of India

(C) Bharat Heavy Electricals Limited

(D) National Company Law Tribunal

supercurrentaffairs.com

96. Consider the following statements about Heavy Engineering Corporation in Ranchi:

1. Hasan Brothers supplied materials used in equipment made for the Indian Space Research Organisation.

2. The tribunal order confirmed that Hasan Brothers had already received its outstanding payment.

3. Four HEC directors were deputed from Bharat Heavy Electricals Limited.

Which of the statements given above are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

97. Which institution in Lucknow plans to develop multiple-organ transplantation facilities?

(A) Heart transplant team
(B) Plastic Surgery Department
(C) Lung transplant team
(D) Sanjay Gandhi Postgraduate Institute of Medical Sciences

98. Consider the following statements about SGPGI's transplant plans in 2026:

1. Kidney–liver transplantation is among the multiple-organ combinations under consideration.

2. A full hand transplant has already been completed at SGPGI.

3. Members of the lung transplant team trained in Chennai.

Which of the statements given above is/are correct?

(A) Only 1
(B) Only 2
(C) Both 1 and 3
(D) All three

99. Which railway production unit developed the Amrit Bharat Express 3.0 trainset introduced in 2026?

(A) Ministry of Railways
(B) Integral Coach Factory, Chennai
(C) Northern Railway
(D) New Delhi Railway Station

supercurrentaffairs.com

100. Consider the following statements about Amrit Bharat Express 3.0 introduced in 2026:

1. Its first service operated on the New Delhi–Patna route.

2. All 22 coaches in the trainset are air-conditioned.

3. The trainset uses push-pull technology.

Which of the statements given above are correct?

(A) Only 1

(B) Only 2

(C) Both 1 and 3

(D) All three

supercurrentaffairs.com

Answer key

1. (A) Department of Food and Public Distribution

The Department of Food and Public Distribution launched ONORC in 2019. The other departments are not its launching department.

2. (C) Both 1 and 3

Statements 1 and 3 are correct: ONORC enables portability without a new card, and Mera Ration helps locate shops. Statement 2 is incorrect because portability includes both inter-State and intra-State transactions.

3. (B) Rajasthan State Election Commission

The Rajasthan State Election Commission issued the election programme on 3 October 2026. The district election officer ordered removal of the names, the returning officer rejected the initial objection, and the High Court adjudicated the dispute.

4. (C) Both 1 and 3

Statements 1 and 3 are correct: the court treated the programme announcement as the start of the process, and the single judge cancelled the order on 4 November. Statement 2 is incorrect because the court found that an adequate hearing was not provided.

5. (C) Lok Sabha

The proposal failed in the Lok Sabha, the directly elected House of Parliament. The Rajya Sabha is the other parliamentary House, while the two legislative assemblies are state legislatures.

6. (C) Both 1 and 3

Statements 1 and 3 are correct: the proposals used the 2011 Census and were linked to women's reservation before 2029. Statement 2 is incorrect because 543 was the existing strength; the proposed maximum was 850.

7. (D) Ministry of Heavy Industries

The Ministry of Heavy Industries administers the ACC production-linked incentive programme and its tender. The other ministries are distinct from the ministry conducting this selection.

8. (C) Both 1 and 3

Statements 1 and 3 are correct: the target is 50 GWh and the tender uses a two-stage selection mechanism. Statement 2 is incorrect because the 10 GWh forms part of the overall target.

9. (B) Ministry of Agriculture and Farmers Welfare

The Protection of Plant Varieties and Farmers' Rights Authority functions under the Ministry of Agriculture and Farmers Welfare. The other ministries have different administrative responsibilities.

10. (C) Both 1 and 3

Statements 1 and 3 are correct: the Act recognises farmers' multiple roles, and Koraput received the heritage recognition in 2012. Statement 2 is incorrect because India's National Genebank is described as the world's second largest.

supercurrentaffairs.com

11. (A) State Level Bankers' Committee

The 98th meeting was held by the State Level Bankers' Committee. District-level committees were tasked with identifying low credit-deposit ratio districts, while the cyber coordination centre and Common Service Centres have different roles.

12. (C) Both 1 and 3

Statements 1 and 3 describe the deployment direction and the proposed role of eligible self-help groups. Statement 2 is incorrect: the five-year exercise will analyse applications, approvals, pending cases and rejections, rather than automatically approve them.

13. (A) Gandhisagar reservoir

The existing Gandhisagar reservoir is the lower reservoir. The new reservoir is the upper storage reservoir; the Chambal River and Chaturbhujnath Nala are other geographical features of the region.

14. (C) Both 1 and 3

Statements 1 and 3 are correct: the existing reservoir is lower and estimated round-trip efficiency is approximately 80%. Statement 2 reverses the pumping direction: surplus electricity pumps water from the lower reservoir to the upper reservoir.

15. (B) Jodhpur

Sursagar sandstone from Jodhpur is planned for the terminal's exterior walls and columns. Jaipur is the terminal location, while Kota and Udaipur are associated with other aviation developments.

16. (C) Both 1 and 3

Statements 1 and 3 correctly identify the land allocation and second-phase facilities. Statement 2 is incorrect: ₹55 crore is the total approved project budget, while the first-phase building is estimated at ₹19.62 crore.

17. (A) Relevant Sub-Divisional Officer

The landowner applies online to the relevant Sub-Divisional Officer with the required documents. The District Level Committee provides the rate used for the fee calculation; the state government made the rules, while the developer is not the designated receiving authority.

18. (C) Both 1 and 3

Statements 1 and 3 are correct: solar, wind and battery storage projects fall within the stated scope. Statement 2 is incorrect because fee exemption does not waive the conversion approval requirement.

19. (B) Food and Consumer Protection Department

The Food and Consumer Protection Department organised the programme and oversees the described distribution process. Rural development, agriculture and education are distinct departmental functions.

20. (C) Both 1 and 3

Statements 1 and 3 are correct: the coverage figure is approximately 2.375 million, and electronic verification aims to help identify fake cards. Statement 2 is incorrect because 1,448 refers to newly selected PDS vendors receiving licences, not ration-card holders.

supercurrentaffairs.com

21. (D) Department of Science and Technology

The Technology Development Board functions under the Department of Science and Technology. Astrome Technologies is the project partner, while the Research, Development and Innovation Fund is the funding source.

22. (C) Both 1 and 3

Statements 1 and 3 are correct: the proposed constellation uses low Earth orbit and includes inter-satellite communication links. Statement 2 is incorrect because ₹64.05 crore is the support amount; total project cost is ₹128.11 crore.

23. (C) Ministry of Skill Development and Entrepreneurship

The Ministry of Skill Development and Entrepreneurship is revising the national skill policy. The other ministries are distinct Union ministries and are not the ministry identified for this revision.

24. (C) Both 1 and 3

Statements 1 and 3 correctly describe the employment estimate and automobile skills assessment. Statement 2 is incorrect: the corresponding figure for assessed thermal power roles is approximately 71%, not 90%.

25. (C) Supreme Court of India

The Supreme Court's 2018 decision prescribed the in-patient and out-patient requirements. The Delhi Development Authority, Municipal Corporation of Delhi and Land and Development Office provided land-allotment information used to identify hospitals.

26. (C) Both 1 and 3

Statements 1 and 3 are correct: the in-patient requirement is 10%, and 56 additional hospitals were identified. Statement 2 is incorrect because the out-patient requirement is 25%, not 10%.

27. (A) Reserve Bank of India

The Reserve Bank of India's Monetary Policy Committee raised the repo rate by 25 basis points. The Ministry of Statistics and Programme Implementation released inflation data; the other bodies did not set this repo rate.

28. (C) Both 1 and 3

Statement 1 is correct: CPI inflation was 6.09%. Statement 2 is incorrect because food inflation rose from 7.74% to 8.94%; statement 3 is correct because Puducherry recorded 7.96%.

29. (A) Bihar Cabinet

The Bihar Cabinet approved the revision for eligible state employees and pensioners. Urban local bodies have regular employees covered by a separate career progression decision, while the two Singapore-based institutions are connected to the AI ecosystem.

30. (C) Both 1 and 3

Statements 1 and 3 are correct: the revised rate is effective from 1 July 2026, and the career progression decision covers regular urban local body employees. Statement 2 is incorrect because the 7,000-student target belongs to the AI mission; the startup challenge targets up to 2,100 women students.

supercurrentaffairs.com

31. (D) Ministry of Housing and Urban Affairs

The Ministry of Housing and Urban Affairs is associated with the urban cleanliness survey and mission. The Ministry of Power has a different portfolio; the Uttar Pradesh department and Ghaziabad Municipal Corporation operate at state and city levels respectively.

32. (C) Both 1 and 3

Statements 1 and 3 are correct: Ghaziabad's first rank was within Uttar Pradesh, and waste segregation was an assessment criterion. Statement 2 incorrectly treats the state rank as a national rank.

33. (C) Supreme Court of India

The Supreme Court of India decided Shafin Jahan v. Asokan K.M. in 2018. The Bombay High Court's vacation bench heard the later petition, while Dharavi Police Station is a police station rather than a court.

34. (C) Both 1 and 3

Statements 1 and 3 are correct: the bench affirmed adult choice and declined to comment on police conduct. Statement 2 reverses the court's position: religious difference does not diminish that choice.

35. (A) Ministry of Home Affairs

The Ministry of Home Affairs implemented the visa category changes. The Ministry of Finance, Ministry of Education and Ministry of Defence are not the responsible ministry for this reform.

36. (C) Both 1 and 3

Statements 1 and 3 are correct: M-1 covers general treatment and both categories have a one-year multiple-entry default. Statement 2 is incorrect because M-3 is for AYUSH treatment.

37. (D) Government schools

The requirement covers government-school teachers teaching Classes 1–12. Private schools, universities and private colleges are not the institutions covered by this requirement.

38. (C) Both 1 and 3

Statements 1 and 3 are correct: the requirement covers Classes 1–12, and Dhanbad's non-training share was 53%. Statement 2 reverses the figures: the training is 50 hours, while the original completion period was 90 days.

39. (A) Bharatiya Nyaya Sanhita, 2023

Some farmers were booked under Section 223(b) of the Bharatiya Nyaya Sanhita, 2023. The other cited law was the Air Act of 1981, not an Air Act of 2023 or a Bharatiya Nyaya Sanhita of 1981.

40. (C) Both 1 and 3

Statements 1 and 3 are correct: 13,200 machines were distributed and 19 cases received red entries. Statement 2 is incorrect because the purchase subsidy was up to 50%, not necessarily a fixed 50% for every purchase.

41. (B) Insolvency and Bankruptcy Board of India

The Insolvency and Bankruptcy Board of India is the insolvency regulator. The tribunals adjudicate cases and appeals, while State Bank of India is a creditor in the Videocon case.

supercurrentaffairs.com

42. (C) Both 1 and 3

Statements 1 and 3 are correct: the processes may run simultaneously, and the personal guarantor provisions took effect in December 2019. Statement 2 is incorrect because total recovery cannot exceed the outstanding claim.

43. (A) Kerala High Court

The Kerala High Court Division Bench answered a reference arising from conflicting single-judge decisions. The ruling concerned that High Court's approach to settlement-based quashing, not a decision by the other courts listed.

44. (C) Both 1 and 3

Statements 1 and 3 correctly describe the ruling and the factors identified by the court. Statement 2 is incorrect: attaining majority later does not retrospectively change the legal character of the alleged act.

45. (A) Patna Municipal Corporation

Patna Municipal Corporation received the award for Bihar's state-first city. The other bodies administer different cities, not Patna.

46. (C) Both 1 and 3

Statements 1 and 3 are correct: Patna led Bihar and Puri led the coastal category. Statement 2 is incorrect because Navi Mumbai ranked first nationally.

47. (B) Jharkhand High Court

A division bench of the Jharkhand High Court held Section 22-A unconstitutional. The ruling was made by that High Court, rather than the Supreme Court or the High Courts of Patna and Delhi.

48. (C) Both 1 and 3

Statements 1 and 3 are correct: the 1991 amendment added the provision, and the 2015 notification was quashed. Statement 2 is incorrect because other applicable land-transfer laws and statutory conditions continue to operate.

49. (A) Motor Accident Claims Tribunal

The Motor Accident Claims Tribunal rejected the claim in May 2000. The Punjab and Haryana High Court later overturned that reasoning; the Kerala High Court full bench was cited as precedent, while the Post Graduate Institute of Medical Education and Research was connected with the couple's journey.

50. (C) Both 1 and 3

Statements 1 and 3 are correct: the foetus was 28 weeks old and the multiplier was nine. Statement 2 reverses the figures: the court added 40% for future prospects and deducted 50% for personal expenses.

51. (C) United Nations Environment Programme

The United Nations Environment Programme estimated adaptation needs at about $305 billion annually by 2035. The OECD and Oxfam provided different climate finance estimates, while the climate finance committee identified an accounting issue.

52. (C) Both 1 and 3

Statements 1 and 3 correctly describe the negotiated goal and the first year the earlier target was reached. Statement 2 is incorrect because the wider ambition includes public and private sources, not just government grants.

supercurrentaffairs.com

53. (D) Madhya Pradesh Forest Department

The Madhya Pradesh Forest Department identified more than 500 hotspots. The Forest Development Corporation separately reported encroachment on land allocated for new plantations.

54. (C) Both 1 and 3

Statements 1 and 3 are correct: hotspot identification and image comparison are part of the monitoring approach. Statement 2 is incorrect because a permanent stop was proposed by an officer, not imposed by the government.

55. (A) Urban local bodies

Urban local bodies will undertake construction of the smart road. The railway station is a location on the smart market route, while the control room is linked to planned cameras.

56. (C) Both 1 and 3

Statements 1 and 3 correctly describe the planned utility ducts and future pipeline provision. Statement 2 reverses the figures: the road is planned to be 5 km long and cost ₹32.26 crore.

57. (C) Supreme Court of India

The Supreme Court reversed the Patna High Court's order and restored the proceedings. The Patna High Court had cancelled them; Bihar Vigilance investigated the case, while the Income Tax Department conducts income-tax searches.

58. (C) Both 1 and 3

Statements 1 and 3 are correct: the stated quantity is 500 grams and the Supreme Court restored the proceedings. Statement 2 is incorrect because lawful possession can exceed the seizure-protection quantity.

59. (A) Election Commission of India

The Election Commission of India is responsible for the electoral roll revision. The Supreme Court hears challenges, while the state governments are not the body directing this exercise.

60. (C) Both 1 and 3

Statements 1 and 3 are correct: SSR updates existing rolls and addresses are to use a uniform format. Statement 2 reverses the distinction: SIR involves house-to-house verification.

61. (A) European Space Agency

The European Space Agency operates Sentinel-2. The Indian Space Research Organisation supplies fire-event data, while the Commission for Air Quality Management and the Indian Agricultural Research Institute have monitoring and research roles.

62. (C) Both 1 and 3

Statements 1 and 3 are correct: active-fire counting has a protocol, and burnt-area mapping identifies affected land after burning. Statement 2 is incorrect because the separate burnt-area methodology remains under validation.

63. (C) State Disaster Response Force

The State Disaster Response Force team was directed to remain stationed at Manjhi for emergency rescue. The Bihar government and district administration are administrative authorities, while the school is an educational institution.

supercurrentaffairs.com

64. (C) Both 1 and 3

Statements 1 and 3 are correct: the proposed route lies in Saran, and the connection request received a positive assurance. Statement 2 is incorrect because the Marine Drive has been announced, not completed.

65. (B) Ministry of Jal Shakti

The Ministry of Jal Shakti administers the citizen feedback initiative for JSJB 2.0. The other ministries are not the nodal ministry for this initiative.

66. (C) Both 1 and 3

Statements 1 and 3 are correct: citizen feedback covers reported structures, and recognition is linked to completed artificial recharge and storage works.

67. (B) Ministry of Education

The Ministry of Education is associated with the Kendriya Vidyalaya Sangathan initiatives. The Department of School Education and Literacy is a department, while KVS Headquarters and its Information Technology Services Cell are not ministries.

68. (C) Both 1 and 3

Statements 1 and 3 are correct: the monitoring dashboard covers admissions and infrastructure, and Samvaad accepts student leave applications. Statement 2 is incorrect because connecting former students is the role of the Alumni Connect Portal.

69. (A) Infosys Science Foundation

The Infosys Science Foundation awards the Infosys Prize. The other institutions are associated with individual researchers, not the prize organiser.

70. (C) Both 1 and 3

Statements 1 and 3 correctly match Jain and Kumar with their fields. Statement 2 is incorrect: Basu won in Mathematical Sciences, while Manoj Kumar Joshi's Physical Sciences work involves trapped ions.

71. (B) Yamuna Expressway Industrial Development Authority

The planned factory is in the Yamuna Expressway Industrial Development Authority area. Noida International Airport is an airport, CNH Industrial is the factory developer, and HCL-Foxconn is associated with a semiconductor project.

72. (C) Both 1 and 3

Statements 1 and 3 describe the planned products and estimated cost correctly. Statement 2 is incorrect because the factory is planned and its groundbreaking has taken place; operational production is not established.

73. (C) Strait of Hormuz

The Strait of Hormuz is the passage used for the stated supply. The Persian Gulf and Gulf of Oman are bodies of water connected by the strait; the Gulf countries are suppliers, not a passage.

74. (C) Both 1 and 3

Statements 1 and 3 correctly state the November-to-date and April figures. Statement 2 is incorrect: Russian imports averaged 1.8 million barrels per day, less than the Hormuz-route figure.

supercurrentaffairs.com

75. (C) Omkareshwar Temple

Omkareshwar Temple in Ukhimath is Kedarnath's winter seat. Narasimha Temple is in Jyotirmath, while Gangotri and Yamunotri are the respective main shrines.

76. (C) Both 1 and 3

Statements 1 and 3 are correct: the proposal focuses on safety-related data, and Kharsali is Yamunotri's winter site. Statement 2 reverses the rules: winter registration is proposed as voluntary, while main-season registration is mandatory.

77. (A) Department of Science and Technology

INSA is an institution of the Department of Science and Technology. The United States National Academy of Sciences and the Royal Society are science academies, while INSA itself endorsed the statement.

78. (C) Both 1 and 3

Statements 1 and 3 are correct: five action areas include safe and equitable access. Statement 2 is incorrect because technology should complement human expertise and remain subject to oversight.

79. (B) National Hydroelectric Power Corporation

National Hydroelectric Power Corporation, or NHPC, is the proposed developer. The Arunachal Pradesh government offered talks, while members of the Adi community have opposed the project.

80. (C) Both 1 and 3

Statements 1 and 3 are correct: the dam is proposed in Arunachal Pradesh and Adi community members have protested against it. Statement 2 is incorrect because Siang is the name used for the Brahmaputra in Arunachal Pradesh.

81. (B) Uttar Pradesh Public Works Department

The Uttar Pradesh Public Works Department is to undertake the road work after the tender process. Electricity poles require shifting, while the gram panchayat and district identify locations rather than the implementing department.

82. (C) Both 1 and 3

Statements 1 and 3 are correct: the road project covers 38.6 km and the bridge is planned on the Visuhi River. Statement 2 is incorrect because ₹47.88 crore, not the entire approved amount, has been allocated.

83. (D) Government of Telangana

The Government of Telangana enacted the 2026 law for platform-based gig workers. The law is a Telangana state measure, rather than a measure of Karnataka, Rajasthan or Bihar.

84. (C) Both 1 and 3

Statements 1 and 3 are correct: the Act took effect on 2 June and the board is intended to implement the law and welfare schemes. Statement 2 is incorrect because the board launch and notification of rules were planned for 14 November 2026.

supercurrentaffairs.com

85. (D) Commission for Air Quality Management

The Commission for Air Quality Management issued the district-level directions. The Indian Agricultural Research Institute provided monitoring data, the National Remote Sensing Centre led the mapping committee, and police officials participated in district coordination.

86. (C) Both 1 and 3

Statements 1 and 3 are correct: CAQM issued the verification direction and the National Remote Sensing Centre led the committee. Statement 2 is incorrect because Punjab's fire count rose by 22.4%.

87. (C) Madhya Pradesh Employees Selection Board

The Madhya Pradesh Employees Selection Board conducts the departmental recruitment examination. The other offices are among the revenue establishments whose eligible employees may participate.

88. (C) Both 1 and 3

Statements 1 and 3 are correct: the revised date is 10 January 2027, and the listed revenue cadres can participate. Statement 2 is incorrect because the driver recruitment has 1,040 posts; 7,500 is the constable figure.

89. (B) Supreme Court collegium

The five-member Supreme Court collegium held the informal discussion. The Union government implements transfer recommendations, while the other options do not identify the body that discussed the framework.

90. (C) Both 1 and 3

Statements 1 and 3 reflect the issues discussed: substantive grounds and possible reconsideration of delayed recommendations. Statement 2 is incorrect because the framework was only informally discussed.

91. (A) Indian Institute of Technology Mandi

The Indian Institute of Technology Mandi participated in the Farakka research. Karolinska Institutet and Linköping University were other research institutions, while Communications Earth and Environment is the publication that accepted the study.

92. (C) Both 1 and 3

Statements 1 and 3 are correct: total PM2.5 concentrations were broadly similar, but several metals were higher downwind. Statement 2 is incorrect because the small, single-point study found an association, not proof of causation.

93. (B) Madhya Pradesh Metro Rail Corporation Limited

Madhya Pradesh Metro Rail Corporation Limited provides the metro fare concessions. Bhopal Metro and Indore Metro are the services covered, while the MP Metro mobile app is a ticketing channel.

94. (C) Both 1 and 3

Statements 1 and 3 are correct: the issue fee is non-refundable and group tickets require at least two passengers. Statement 2 is incorrect because the additional 25% discount applies only when the prescribed fare exceeds ₹20.

supercurrentaffairs.com

95. (D) National Company Law Tribunal

The National Company Law Tribunal issued the order concerning HEC's management powers. The Indian Space Research Organisation received equipment, State Bank of India was informed of the order, and Bharat Heavy Electricals Limited provided deputed officials.

96. (C) Both 1 and 3

Statements 1 and 3 correctly identify the material supplier and the source of the four deputed directors. Statement 2 is incorrect: the order concerned management powers and the appointment of a professional, not confirmation of payment.

97. (D) Sanjay Gandhi Postgraduate Institute of Medical Sciences

Sanjay Gandhi Postgraduate Institute of Medical Sciences is the institution planning the facility. Its departments and transplant teams are parts of the institution rather than separate institutions responsible for the overall plan.

98. (C) Both 1 and 3

Statements 1 and 3 are correct: kidney–liver transplantation is a planned combination, and team members trained in Chennai. Statement 2 is incorrect because the completed procedure was toe-to-hand thumb reconstruction, not a full hand transplant.

99. (B) Integral Coach Factory, Chennai

Integral Coach Factory in Chennai developed the trainset. Northern Railway described its features, New Delhi Railway Station was its departure point, and the Ministry of Railways is the responsible ministry.

100. (C) Both 1 and 3

Statements 1 and 3 are correct: the first service connected New Delhi and Patna and used push-pull technology. Statement 2 is incorrect because the train combines air-conditioned and non-air-conditioned coaches.
